

Appl. No. 10/643,444
Amdt. dated 8-30-04
Reply to Office Action of August 6, 2004

REMARKS

In the aforementioned Office communication, each of claims 1-5 in the present application has been rejected under Section 112 as being indefinite. The examiner particularly noted the use of the phrase "means" in line 7 of claim 1 and also noted the term "a speaker" should be better defined such as "an audio speaker." The claims have been amended to remove the reference to the phrase "means" in claim 1 and also to make each reference to the term "speaker" a reference to "an audio speaker."

Having responded to the formal rejections to the claims, it is felt the application is now in condition for allowance and such action is courteously requested.

Dated this 30th day of August, 2004.

Respectfully submitted,
